

## 2nd Annual Golf Outing & Fundraiser

Please join us for our 2nd annual golf outing & fund-raiser sponsored by the Shore to Shore Mission Network. The proceeds from this event will go to the Mission effort in Senegal, Africa.

### Medical Mission

SSMN has a committed group of doctors and nurses that provide various forms of clinical care to young and old on every trip. They also provide training to the local clinic staff. From shots to eyeglasses or just exams, the medical team plays a major role in establishing good community relations with the people.

### Construction Mission

The SSMN team assisted in the masonry work for a new vocational school building that is targeting young men that have no family, job or skills. The aim is to equip these young men to become viable members of society.

### Education Mission

In addition to the regular classes the children attend, SSMN volunteers provide classes on the English language and a variety of other topics. The literacy rate is very low and teaching to read and write is critical to helping the young people survive in society.

### Public Relations Mission

The whole SSMN team gets involved in various opportunities to spend time with the people from the community. Relationships are a big part of the culture and the team tries to visit the homes of as many locals as possible.
